“As worldly media events reveal an outdated concept of who we are, every story from us whispers our natural state of peace. Inside each envelope is a gentle reminder that love still exists — even if it’s buried deep within us.”

“Welcome to our hand-written monthly divergence from the noise, deception, and despair.”

02

Delivered by mail, each story includes:

- A heartfelt tale to lift your spirit
- A simple life lesson to carry with you
- A fun crossword or puzzle to solve
- A short break from your devices
